Dated

The owner of the herd being serviced is to forward this permit to the Secretary, scanned by email or mailed, to the address below, within 14 days of the completion of the period of the bull's service.

This form is only required when a bull NOT registered with the herd being serviced , i.e. a bull from another stud, is being used. Progeny from the use of the subject bull can only be registered if this form is submitted to the address below. The Galloways Australia Quality Assurance provisions require submittal within the required time period.
